For: Multiuse device mounting system and  
method

---

**TRANSMITTAL OF DRAWING CORRECTION**

MS Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Submitted herewith is one set (seven sheets, seven figures) of corrected drawings for filing in the above-identified patent application.

The Examiner objected to the drawings for reasons stated in the Office Action (Paper dated October 27, 2009. Specifically, in Figures 1-7, the Rejection asserts that the drawings fail to show couplers for attaching each leg into a single component, a unitary assembly from multiple sub-assemblies, and side couplers on a mounting head. The enclosed new drawings correct these informalities.

Favorable consideration of the enclosed drawings is respectfully requested.

Dated: February 27, 2010

Respectfully submitted,

Electronic signature: /Michael E. Woods/
